GET DEFENSIVE

Reduce the fuels, Reduce the risk.

Lake Tahoe Wildfire Awareness Week

May 25-June 2, 2013

Wildfire Awareness Week sparks an important time for homeowners in the Lake Tahoe Basin to be "en garde" and reduce the risk of wildfire on their property. Join local fire protection agencies for Wildfire Awareness Week kick-off event, Saturday, May 25 outside MontBleu from 8 a.m. to 12 p.m. to learn about fire safety and creating defensible space. Enjoy a tethered hot air balloon ride (weather permitting), pancake breakfast, and get your picture taken with Smokey Bear!
