The companies included on this list attended a presentation on TRPA tree regulations and fire agency defensible space standards in May, 2016. This list is provided to homeowners as a courtesy. TRPA and Tahoe Fire and Fuels Team member organizations do not endorse any of the companies on this list, do not certify them in any way, and do not guarantee these companies understand or follow TRPA regulations. It is the homeowner's responsibility to follow TRPA regulations on their property and determine if a company is licensed and insured. Contractor workshops are typically offered annually in spring. Announcements are posted to <http://tahoe.livingwithfire.info>
